#### ***Group Numbers***

- The teaching staff is choreographing group numbers.
- You will be assigned to a group number based on the test level you have passed as of 11/1.
- If you have not yet passed any tests, you will be in an age-appropriate beginning level group.
- Each skater is responsible for getting their own costume. Costume requirements are minimal and will be discussed by your coach at the first rehearsal. Some groups may be required to purchase costumes.

#### ***Solos***

- Skaters who are ***Freestyle 5-level*** and above are eligible to skate solos.
- Soloists must also participate in the opening number and the finale.
- You and your private instructor will choreograph your solo program. Music will be provided for you.
- Soloists, you may practice during your regular practice sessions or during any specially scheduled Solo Practice Sessions. Use your own stickers, as usual.
- If you do not have a private coach, please contact Hillary Stewart or Karen Malone for assistance.

#### ***On the Day of the Show***

- Dress and apply makeup at home before coming to the rink.
- Arrive one hour before the start time of the show.
- Skaters should go to the curtained backstage area to the left of Rink A in front of the locker rooms.
- Parents should go to the bleacher area unless you are absolutely needed in the backstage area.
- All skaters performing in the first half of the show only may go to the bleacher area after their performance to watch the remainder of the show. All skaters performing in the last half of the show must remain in the backstage area.
- Two of your friends or family members may be admitted free of charge upon sign-in at the Skate Counter admission window. All others pay the admission fee at the Skate Counter admission window.
- Souvenir programs will be available at the entrance to the bleacher area.
